

## HOUSE OF FRIENDSHIP

We are building a House of Friendship (n) - A place where Rotarians and their guests can gather, relax, rekindle friendships - both new and old.

1. A place where Rotarians, Rotary Clubs, Rotary Opportunities and Rotary Projects can be displayed and promoted
  - a. There are many projects that clubs would like to highlight - does your club have one to showcase here?
  - b. Many clubs have projects that they would like to highlight. Is your club involved in a project you would like to share?
  - c. Is there a Rotary program you would promote?
  - d. Does your club have a unique scrapbook or newsletter collection?

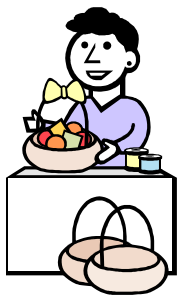

This year District Governor Corbett would like us to build a house of friendship and highlight club programs, projects and opportunities in District 7370 and beyond. This year our House of Friendship will feature:

1. Displays of Rotary projects
2. Displays of photos submitted by our clubs
3. An area where you can meet and chat with your friends
4. Rotary International products for sale
5. Lots of yummy treats to get you through the day (the times between breakfast, lunch and dinner!)

Be sure to bring a display (or displays) featuring the good works of your club. Please have your club contribute sweets, goodies, nuts - or even some healthy fruit to make our House of Friendship yummy!

## SILENT AUCTION ITEMS

Silent auction items are being accepted for the Annual Silent Auction to support our Youth Exchange Program! Please help us support this exchange program and bring an entry from your club.

☺ Gift baskets - Individual Items - all contributions are welcome!

## CLUB BANNERS

Please bring your club banner to be proudly displayed in the main Plenary Hall!
